GOLD INLAYS and BRIDGES

successfully constructed for you at one time from your hard die stone models.

The trend of the 20th century dentist is to have his SMALL GOLD CASTINGS, such as inlays, ¾ crowns, full crowns and one piece cast bridges, carved, cast and polished by us.

Your ability to produce an accurate hard stone model, according to Hydro-Colloid or Alginate techniques, makes it possible for us to complete a fixed bridge including inlay abutments at one time.

These "laboratory made" by SCHNEIDER bridges including abutments save you hours of time because they only require two patient appointments.

1st appointment: impressions.

2nd appointment: cementation of bridge.

Send stone model, wax bite and opposing impression.

In the meantime use our other specialties . . . .

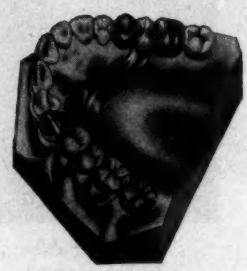
The Case *for* Precision Attachment Work



Case photograph from "Movable-Removable Bridgework," McCall & Hugel, by special permission of the publishers.

Today . . . with the accumulated knowledge of much experience, more accurate techniques and improved materials, Chayes precision attachment work can be employed in your practice with no more chair time than that required to construct a fixed bridge.

No longer need this advantageous movable bridgework be limited to the few who can afford the excessive amount of preparatory work and consequent high fees. Now, precision bridgework, as we construct it, is available to all practices and contributes much to profitable practice. The entire preparatory technique is simplified and easy to follow. Complete details are available and will be supplied promptly on request. You owe it to yourself and your patients to investigate the many desirable esthetic and mechanical qualities that can be found only in precision movable-removable restorations cast with gold or Vitallium. Call Kennedy today.

SUPERIORITY* is claimed for the movable-removable restoration in—

1. Sanitation.
2. Adaptability to tissue.
3. Stimulation of underlying tissue.
4. Non-interference with functional activity of tissues.
5. Reduced liability to recurrence of decay around abutments.
6. Ease of access if decay occurs.
7. Ease of repair.
8. Restorations of lost structures, both lingual and buccal.
9. Relief of strain of mastication on abutments.
10. Non-interference of natural function of abutments.
11. Ease of adjustment where the settling or intrusion of the abutments causes too much pressure on the soft tissue, an almost impossible condition to adjust with fixed bridges.

Add to these the unusual esthetic qualities, no metal or clasps showing and the fact that so much can now be achieved in so little chair time.

*In summarizing the advantages of these restorations, we have quoted with the permission of Dental Survey from an article by Dr. S. Marshall Weaver.

PRESIDENT'S PAGE

By

James E. Mahoney, D.D.S.

The river of time flows slowly and majestically through the months. Here we are confronted with another phase of our Society's activity for September.

The Study Club Committee—Gordon A. Smith, Alton, chairman; A. W. Brandhorst, Alton, vice-chairman; F. W. Graham, Morris, Northeastern District; James L. Bunch, Jacksonville, Central Western District; and M. M. Lumbattis, Mt. Vernon, Southern District—has prepared excellent meetings.

Councilmen Phil Kartheiser of Aurora, Ranald H. Fell of Galesburg, and Robert A. Hundley of East St. Louis will preside at these various meetings.

This year's Caravan will be first introduced at a joint meeting of the Madison and St. Clair Districts at the St. Clair Country Club on September 16, 1953. The meeting will be unique in that golf will constitute the morning program for husbands and their wives. A smorgasbord lunch will be served at noon.

The essayists, Dr. Robert Placek of Chicago and Dr. Roy Wolff of St. Louis, Missouri, will present their papers at about 2:00 p.m.

During dinner (scheduled for 6:30 p.m.) the ten "fifty-year men" of those two districts will be honored with the new certificates and lapel pins of the Illinois State Dental Society.

Thursday, September 17, the group will move to Benton to a joint meeting of the Southern Illinois and Wabash Districts.

On September 23, at the Leland Hotel in Aurora, the Fox River Valley Society will be host to the Kankakee, LaSalle, and Will-Grundy District Societies.

The site of the September 24 meeting is the Dunlap Hotel where the G. V. Black District will entertain the Prairie Valley and T. L. Gilmer Component Societies.

We are anticipating the whole-hearted cooperation of the membership in helping to honor our distinguished guests at these meetings—the "fifty-year members."

President Signs Two-Year Extension of Dentist-Physician Draft Act

PRESIDENT Eisenhower, on June 29, 1953, signed the new dentist-physician draft act, extending until July 1, 1955, the authority of the federal government to draft professional health manpower for active duty with the nation's armed forces. The new law, which replaces Public Law 779, continues the $100-a-month extra salary allowance for dental and medical officers who volunteer and contains a number of new provisions urged by the A. D. A.

The more liberal provisions of the new law regarding the determination of prior military service will result in an immediate reclassification of a large number of present registrants and will also permit a number of men now on active duty to be released earlier than originally planned. The number of men in this latter category will influence sharply the new requisitions expected to be issued in the immediate future by the Department of Defense for replacement dental officers. Among the new provisions of the new law are the following:

1. All active duty is counted in determining priority status, including military service prior to participating in ASTP or V-12 programs. Priority II men with at least 17 months service are placed in Priority IV.

2. Dentists and physicians with 21 months of prior active service are specifically exempt from further service.

3. The new law applies to reservists as well as individuals registering under the law. Previously, priorities were applied to reservists by executive order.

4. Reservists recalled to active duty and registrants in service for the second time are entitled to be promoted to a rank commensurate with their professional experience.

5. Reservists and registrants who have served their required duty are entitled to be discharged or to resign their commissions and are not liable for recall.

6. Service requirements for dentists who have had some active duty since September, 1940, are: 24 months if less than nine months of previous service; 21 months if less than 12 months but more than nine months of previous service; 18 months if less than 15 months but more than 12 months of previous service; 15 months if more than 15 months of previous service.

7. Dental officers now on duty whose required length of service or priority status would be changed by the new law may ask for re-examination of their cases. If it appears that a dental officer is eligible under the new law for Priority IV classification and consequent release from service or that he is eligible for release on the basis of his previous service, he can apply for immediate discharge and must be sep-

arated from the service within 90 days. He may also request discharge from his commission if he is eligible under the new law.

Following is the full text of the new draft law covering dentists, physicians and allied specialists:

AN ACT

To amend the Universal Military Training and Service Act, as amended, so as to provide for special registration, classification, and induction of certain medical, dental, and allied specialist categories, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That subsection 4 (i) of the Universal Military Training and Service Act (64 Stat. 826), as amended, is further amended by adding at the end thereof the following new paragraphs:

"(4) As used in this subsection, the term 'active duty' and 'active service' shall include (A) active duty, as defined in subsection 101 (b) of the Armed Forces Reserve Act of 1952 (66 Stat. 481); (B) active service subsequent to September 16, 1940, in the Army, Navy, Air Force, Marine Corps, Coast Guard, or the United States Public Health Service, including the reserve components thereof; (C) service in the national health, safety, or interest performed pursuant to subsection 6 (j) of this Act and work of national importance performed pursuant to subsection 5 (g) of the Selective Training and Service Act of 1940; (D) prior to September 2, 1945, equivalent service in the armed forces of any country allied with the United States in World War II, while so allied; and (E) service performed as physicians or dentists by United States citizens employed by the Panama Canal Health Department between September 16, 1940, and September 2, 1945.

"(5) For the purposes of computation of the periods of active duty or active service referred to in this subsection, credit shall be given for all periods of one day or more performed under competent orders except that no credit shall be allowed for—

"(A) periods in which the duty or service consisted solely of training under the Army specialized training program, the Army Air Corps college training program, or any similar program under the jurisdiction of the Navy, Marine Corps, or Coast Guard;

"(B) periods spent in intern training, residency training, other postgraduate training, or in senior student programs prior to receipt of the appropriate professional degree;

"(C) periods of active service performed for the sole purpose of undergoing a physical examination;

"(D) periods of active duty for training, entered into subsequent to the enactment of this subparagraph, as defined in subsection 101 (c), Armed Forces Reserve Act of 1952 (66 Stat. 481); and

"(E) periods of active service which terminate subsequent to April 30, 1953, in other than an Armed Force terminated by orders which specify that such termination is without the approval of the agency concerned.

"(6) Nothwithstanding any other provisions of this subsection or the Act of September 9, 1950, as amended, except in time of war or national emergency hereafter declared by the Congress, no person who has served in the active service since September 16, 1940, for a period of twenty-one months or more, shall be liable for induction, or reinduction, under this subsection or liable for call or order to active duty

under the Act of September 9, 1950, as amended.

"(7) Notwithstanding any other provision of law, except section 314 of the Immigration and Nationality Act (66 Stat. 163, 241), no person liable for induction under this subsection shall be held to be ineligible for appointment as a commissioned officer of an armed force of the United States on the sole ground that he is not a citizen of the United States or has not made a declaration of intent to become a citizen thereof: Provided, That any such person who is not a citizen of the United States, who is appointed as a commissioned officer, may in lieu of the oath prescribed by section 1757 of the Revised Statutes, as amended (5 U. S. C. 16), take such oath of service and obedience as the Secretary of Defense may prescribe."

SECTION 2. Subsection 4 (j) of the Universal Military Training and Service Act (64 Stat. 826) is amended by adding the following at the end thereof:

"It shall be the duty of the National Advisory Committee in conjunction with the State and local volunteer advisory committees to make determinations with respect to persons in residency training programs who shall be recommended for deferment for the purpose of completing such residency programs, and in making such determinations shall give appropriate consideration to the respective needs of the Armed Forces and the civilian population. The National Advisory Committee in conjunction with the State and local volunteer advisory committees are further authorized to make appropriate recommendations with respect to members of the faculties of medical, dental, veterinary, and allied specialists schools, schools of public health, and with respect to physicians, dentists and veterinarians engaged in essential laboratory and clinical research, having due regard to the respective needs of the Armed Forces and the civilian population."

SECTION 3. Section 4 of the Act of September 9, 1950 (64 Stat. 826), is amended to read as follows:

"Section 4. (a) Notwithstanding subsection 217 (c) of the Armed Forces Reserve Act of 1952 (66 Stat. 481) or any other provision of law, any person liable for induction under the Act of September 9, 1950, as amended, or any member of a reserve component who has been or shall be ordered to active duty on or before July 1, 1955, as a physician, dentist, or in an allied specialist category in the Armed Forces including the Public Health Service) of the United States shall, under regulations prescribed by the President, be appointed, reappointed, or promoted to such grade or rank as may be commensurate with his professional education, experience, or ability.

"(b) Notwithstanding any other provision of law, any person who registers under the provisions of subsection 4 (i) of the Universal Military Training and Service Act (64 Stat. 826), as amended, but who is not at the time of such registration or thereafter registered under section 3 of the same Act, and who subsequently accepts a commission in a reserve component of the Armed Forces and thereafter serves on active duty for a period of twelve months or more after September 9, 1950, shall upon his release from active duty or within six months after the date of enactment of this subsection, whichever is later, be discharged from such commission, provided he is not otherwise obligated to serve on active military training and service in the Armed Forces or in train-

ing in a reserve component by law or contract: Provided, That any person who is not required to register under the provisions of subsection 4 (i) of the Universal Military Training and Service Act (64 Stat. 826), as amended, for the sole reason that he was a member of a reserve component of the Armed Forces and who is not or was not required to register under section 3 of the same Act, and who is called or ordered to active duty from a reserve component of the Armed Forces of the United States after September 9, 1950, and thereafter serves on active duty for a period of twelve months or more shall, upon his release from active duty or within six months after the date of enactment of this subsection, whichever is later, be afforded an opportunity to resign his commission from the reserve component of which he is a member provided he is not otherwise obligated to serve on active military training and service in the Armed Forces or in training in a reserve component by law or contract: Provided further, That except in time of war or national emergency hereafter declared by the Congress, any person who is discharged or who resigns his commission under the provisions of this subsection shall not thereafter be subject to induction under the provisions of subsection 4 (i) of the Universal Military Training and Service Act (64 Stat. 826), as amended. This subsection shall be effective as of September 9, 1950.

"(c) Until July 1, 1955, the President is authorized to order to active duty in the Armed Forces of the United States, with or without their consent, those members of the reserve components of the Armed Forces of the United States who are registered under section 4 (i) of the Universal Military Training and Service Act (64 Stat. 826), as amended, and those persons who would be, but for such membership, liable for registration under the provisions of said subsection. Such persons shall so far as practicable be ordered to active duty under this subsection in accordance with the priorities established under subsection 4 (i) of the Universal Military Training and Service Act (64 Stat. 826), as amended. The period of active duty that any such person may be required to perform shall not exceed (A) twenty-four months if he has had less than nine months of active service, as defined in paragraphs 4 (i) (4) and (5) of the Universal Military Training and Service Act, as amended; (B) twenty-one months if he has had at least nine but less than twelve months of such service; (C) eighteen months if he has had at least twelve but less than fifteen months of such service; (D) fifteen months if he has had at least fifteen or more months of such service, since September 16, 1940, but prior to the date of his order to active duty under this subsection.

"(d) Nothing in subsection (c) of this section shall be construed to affect or limit the authority to order members of the reserve components to active duty contained in section 233 of the Armed Forces Reserve Act of 1952 (66 Stat. 481)."

SECTION 4. Any person now serving on active duty who was required to register under the provisions of subsection 4 (i) of the Universal Military Training and Service Act, as amended, or who, but for membership in a reserve component of the Armed Forces of the United States, would have been required to register under said subsection, and, who, on the basis of active service as defined in section 4 (i) of the Universal Military Training and Service Act, as amended, rendered prior to the date of his latest entry on active duty, would not, on July

1, 1953 be subject to induction or order to active duty as a member of a reserve component of the Armed Forces of the United States, shall, if he makes application therefor, be released to inactive duty, discharged, or afforded an opportunity to resign his commission, as otherwise provided in the Act of September 9, 1950, as amended, as soon as practicable, but in no event later than ninety days after the effective date of this amendatory Act: Provided, That no person required to register under section 3 of the Universal Military Training and Service Act, as amended, shall have his commission terminated under the provisions of the Act of September 9, 1950, as amended.

SECTION 5. Persons in medical, dental, and allied specialist categories ordered to active duty under the provisions of the Universal Military Training and Service Act, as amended, or under this amendatory Act, who hold a commission in a reserve component of the Armed Forces, or in the Army of the United States without component or Air Force of the United States without component which by operation of law would expire before the end of the period of active duty which they may be required to serve under the provisions of the Act of September 9, 1950, as amended, may be retained on active duty until they have completed such period of duty and such commisssions shall be deemed to be continued in effect until the date of their release from active duty.

Section 6. (a) Section 4 (i) (2) of the Universal Military Training and Service Act (64 Stat. 826), as amended, is amended by striking out the words "twenty-one months" where it appears therein and inserting in lieu thereof "seventeen months."

(b) Section 4 (i) (2) of the Universal Military Training and Service Act (64 Stat. 826), as amended, is amended by striking out the words "subsequent to the completion of or release from the program or course of instruction," where it appears in two instances.

Section 7. Any physician or dentist who meets the qualifications for a reserve commission in the respective military departments shall, so long as there is a need for the services of such a physician or dentist, be afforded an opportunity to volunteer for a period of active duty of not less than twenty-four months. Any physician or dentist who so volunteers his service, and meets the qualifications for a reserve commission shall be ordered to active duty for not less than twenty-four months, notwithstanding the grade or rank to which such physician or dentist is entitled under the provisions of the Act of September 9, 1950, as amended.

SECTION 8. Section 203 of the Career Compensation Act of 1949, as amended, is amended (1) by deleting in subsection (a) thereof, the date "July 1, 1953," wherever it appears therein and inserting in lieu thereof the date "July 1, 1955"; (2) by deleting in subsection (b) thereof, "subsection (a)" where it first appears therein, and inserting in lieu thereof "subsections (a) and (c)"; and (3) by adding at the end thereof the following new subsection:

"(c) Effective July 1, 1953, the term 'commissioned officer', as used in this section, shall, in addition to those categories defined in subsection (a) hereof, include (1) those commissioned officers in the Veterinary Corps of, or designated as veterinary officers in, the Regular Army and Air Force and commissioned veterinary officers of the Regular Corps of the Public Health

Service who are on active duty on the date of enactment of this subsection; (2) those commissioned officers of the Veterinary Corps of, or designated as veterinary officers in, the Regular Army and Air Force and commissioned veterinary officers of the Regular Corps of the Public Heatlh Service, who were retired prior to the date of enactment of this subsection and who thereafter but prior to July 1, 1955, have been or may be assigned to active duty; (3) those officers who subsequent to the date of enactment of this subsection but prior to July 1, 1955, may be commissioned in the Veterinary Corps of, or designated as veterinary officers in, the Regular Army and Air Force or as veterinary officers of the Regular Corps of the Public Health Service; (4) such officers who on the date of enactment of this subsection are or who hereafter may be commissioned in the Veterinary Corps of, or designated as veterinary officers in, the Army Reserve, the Air Force Reserve, the Army of the United States, the Air Force of the United States, or as veterinary officers of the Reserve Corps of the Public Health Service and who are on active duty on the date of enactment of this subsection as a result of having been called or ordered to extended active duty of one year or longer, or who may, prior to July 1, 1955, be called or ordered to extended active duty of one year or longer; (5) general officers appointed from the Veterinary Corps of, or previously designated as veterinary officers in, the Regular Army, the Army Reserve, the Army of the United States, the Regular Air Force, the Air Force Reserve and the Air Force of the United States who are on active duty on the date of enactment of this subsection; and (6) general officers who, subsequent to the date of enactment of this subsection, may be appointed from those officers of the Veterinary Corps of, or from those officers designated as veterinary officers in, the Regular Army, the Army Reserve, the Army of the United States, the Regular Air Force, the Air Force Reserve, and the Air Force of the United States who are included in parts (1), (2), (3), or (4) of this subsection."

Section 9. Section 7 of the Act of September 9, 1950 (64 Stat. 826), as amended, is amended by striking out "July 1, 1953" and by inserting in lieu thereof "July 1, 1955."

In the September Issue, there will be a statement from the Illinois State Dental Advisory Committee to Selective Service.

ILLINOIS STATE DENTAL

Dear Readers:

This month, I would especially like to speak to the Assistants in the office. Below is presented a code of ethics that would be very beneficial for us to adopt.

CODE OF ETHICS

As a Dental Assistant it will always be my aim: To exalt my work and consider it an opportunity to serve the profession of Dentistry and people in need of dental service.

To remember that my success is the success of the office in which I work; therefore, I shall be loyal to my employer and concerned for the welfare of his office and his patients.

To develop a sense of protection for the health and well-being of patients by complete and careful sterilization and sanitary precautions.

To comply with prevailing dental laws.

To increase my effectiveness by constant self-improvement.

To add to my effectiveness by following the important rules of personal hygiene and developing a systematic and pleasing personality.

To deport myself with a dignity in keeping with professional standards.

To refrain from critical discussion of other assistants, of dentists and their practices, of patients, or of the business and professional affairs of my own or any other dental office.

A "Code of Ethics" for the dental assistant, especially those in the office, by Marjorie Fowler, president of the Illinois State Dental Assistants Association.

ASSISTANTS PAGE

To speak with pride of my employer.

To be a good and conscientious member of my local, state and national dental assistant's associations. Be a worker.

A sustained Dental practice is built upon a foundation of confidence. You, as an assistant, have your part to play in this interesting and altogether beneficial vocation. Confidence is built on a scientific diagnostic procedure, materials used, efficiency of equipment, and knowledge displayed. It is built by the modern, sanitary appearance of the office and the attractiveness and alertness of the personnel. Loyalty and good will executed psychologically by the dentist and the assistant are constant and never-ending procedures in this successful office.

Results and Roses
by
Edgar A. Guest

The man who wants a garden fair,
Or small or very big;
With flowers growing here and there
Must bend his back and dig.

The things are mighty few on earth
That wishes can attain,
Whate'er we want of any worth
We've got to work to gain.

It matters not what goal we seek,
Its secret here reposes;
You've got to dig from week to week
To get Results and Roses.

Directory of Members

1953

The key to the symbols used in the directory of members of the Illinois State Dental Society will be found on the preceding page. A member's name is followed by his address, component society, school, year of graduation and year in which he became a member of the state society. The symbol "Chi" indicates that the address listed is in Chicago and the name of that city is not repeated. The word "Illinois" has been omitted after all towns in that state.

Life members of the Illinois State Dental Society are designated by an asterisk, retired members by "Ret." Men in military service are denoted by an "s" in front of their names and non-resident members by "Non-Res."

This roster of members of the Illinois State Dental Society should be retained by each member as it serves as a valuable reference.

Corrections should be reported immediately to Paul W. Clopper, secretary, Illinois State Dental Society, 623 Jefferson Building, Peoria 2.

COMPONENTS

SOUTHERN ILLINOIS

The Southern Illinois District Dental Society recently held its forty-eighth annual convention at Southern Illinois University, Carbondale, Illinois. Dr. Glenn W. Ozburn, president, presided over the business meeting which was highlighted by the election of the following officers for the coming year: President, V. A. Beadle, Carbondale; president-elect, J. F. Scott, Posiclare; vice-president, W. E. Leach, DuQuoin; and secretary-treasurer, G. W. Lambert, West Frankfort. One of the hot points of the meeting was "the inadequate dental fee schedule" of the State aided agencies, A.D.C., Illinois Public Aid, etc. The State Society has since made progress toward a solution to this problem. The business meeting closed with everyone still friends.

I. P. Brackett, Ph.D., of the Speech Department of Southern Illinois University, gave one of the most interesting and enlightening talks it has been my privilege to hear. The problems, relative to both the Dentist and the speech correctionist, were discussed as well as the steps taken to affect a solution. I am looking forward to hearing Dr. Brackett again.

A most delightful luncheon, for members and wives, was served in the University Cafeteria. Speakers at the luncheon were George Hand, Ph.D., vice-president of Southern Illinois University, who extended greetings from the University and made us feel really like they enjoyed having us as much as we enjoyed being there; Dr. Robert A. Hundley, Councilman for Southern District, East St. Louis; and Dr. James E. Mahoney, President, Illinois State Society, Wood River. Drs. Mahoney and Hundley gave the highlights of work being done by our state society.

W. A. McKee introduced M. M. Lumbattis of Mt. Vernon as the only Dentist to become District Governor of Rotary International. Dr. Lumbattis has since attended the International meeting held in Paris, France.

The treatment of fractures and injuries to the anterior teeth, operative dentistry for primary teeth, prosthetic dentistry for children, and child management were the subjects of guest speaker, Dr. C. Thomas Havey of Los Angeles, California.

The annual picnic is Thursday, July 23, at Murphysboro, Jackson County Country Club and we're all looking forward to a great time and par golf.—*James W. Setzekorn*

DECATUR

Leo Reid has just returned from a fishing trip in Canada and points north. After listening to his story of his car backing up the hill with the power off we have come to the conclusion that his activities were not confined entirely to fishing. Jim Olendorf has also recently returned to his office after his *"umpteenth"* vacation this year. He has informed me that this will be his last one until October.

Ivan Staley has received his orders to report to service—Ft. Sam Houston —the first part of August, with the rank of Major. Recent word has been received from Ralph Hall who is stationed with the Air Force in Korea

and Bud Saunders with the Navy in California.

Jim Williams has announced there will be a gala playday in September. For those who don't play golf there will be other outdoor activities. Grandpa Dodd has volunteered to transport all of the fisherman to and from the fishing location in his *"Car of Distinction."* All fisherman please call Dr. Dodd for reservations.

The society wishes to extend its sympathy to the family of Dr. E. Cade Karr who passed away suddenly in his office this past week, after practicing in Decatur for a number of years.—*R. J. Stengel*

CHAMPAIGN-DANVILLE

Since we don't have any meetings durng the summer months, we'll just jot down a few lines with news of our members.

Frank VanZant left recently to spend part of the summer in his new cabin that he built in Canada. H. A. Hindman is on his way to the North Woods to do some fishing, while Ralph Berkson's destination is California.

Jerry Gorman, Jr. is competing in a local golf tournament. Here's wishing him the best of luck to come out on top.

C. M. Bechtol is on his way to Wyoming and California, and Joe Daily was due to leave about the first of August for Michigan.—*Alvin D. Geffert,* Twin City

ROCK ISLAND

Both Joe Phillips and Charlie Rile are up Wisconsin way doing a bit of fishing—Joe, around Gilman, and Charlie at Clam Lake. I hear tell they got together for a joint session with the rod and reel and for some extra curricular activity.

Ray Crisswell is back from an easterly jaunt through New York and Virginia. Mrs. Crisswell and son, Dave, who is in his last year of pre-dental at Northwestern, went along.

Fred Helpenstell's oldest boy, Frederick, Jr., is getting married before starting his sophomore year in Medicine at the University of Illinois. The wedding will take place sometime in July, and the bridegroom is less in a dither than the ole man.

Ben Steck and family are on an extensive trip; after Toronto, the Thousand Islands, and Montreal, they hit Boston to ocean vessel down the coast.

The senior and junior Ben Sherrards, after a perfect fishing spree around Sioux Narrows, Canada, immediately reserved the same spot for next year. Young Ben, by the way, has recently purchased a new Buick and a jeep. How he intends the combination I don't know, but the jeep probably has something to do with an impending Autumn hunting trip.

You would think that Bob Lambrecht, a top flight golfer, would have learned the hazards of the fairways by now. His face, however, got in the way of a golf club recently, and he was forced to miss three days at the office.

Charlie Ortman and Pete Peterson are leaving soon for Wild Rose, Wisconsin, to indulge in fishing, relaxation, and golf.

Ron Paschall and family are spending a couple of weeks at Portage Point, Michigan, to escape the humid Mississippi. Milt Nelson, in the company of some prominent Moline business men, enjoyed his lake trouting spree at Sioux Lookout, Ontario, a while back. Clarence Ortman will take his family to Alpine Lodge in Egg Harbor, Wisconsin, the first week in August.

Tom Honza, a Creighton graduate and recently out of the Air Corps, has moved back to Moline, his home town, with his wife and three boys. He has

opened his office at 807 First National Bank Buliding.—*Richard P. Hainline*

NORTHWEST

Vernon C. Best of Orangeville has left us to enter the army and reported to Fort Sam Huston, San Antonio, Texas. He will spend eight weeks at the Medical Field Service School, Brooke Army Medical Center and then transfer for duty elsewhere.

Letters from Captain Robert E. Leininger, stationed in Germany, tells of an enjoyable trip by him and his wife through Italy. They visited Rome, Pisa, Venice, Pompeii, and Capri. Their address is: Capt. R. E. Leininger, 019207-31, Dental District, Bad Tolz, Germany, A.P.O. 108-5, % P. M., New York, N. Y.

Dr. Beacom of Mt. Carroll is leaving for the Army the last part of July. He is on the way to recovery from surgery.

The vacation season has taken many of our members to various places of interest throughout the States. Jim and Mrs. Thomson have recently returned from a fishing trip near Woodruff, Wisconsin; Vernon and Mrs. Damer of Peru accompanied them on the trip.

Ned and Mrs. Arganbright vacationed for ten days through the Virginias and North Carolina. E. G. Griffeth is doing some fishing in Canada, and E. Zinser and family left for Colorado on July 25.

Dr. J. W. Krupicka, dental consultant of the State Department of Public Health, called at Richard Fleeman's office to inquire whether the Freeport dentists would be interested in initiating a program for prevention of dental caries through diet control. This program will be started in local schools by the State Department of Public Health with the approval of local dentists and will be carried out either by the school nurse or local dentists.

Effort is being made to have dentists placed on the staff of both local hospitals. A committee headed by Richard Fleeman is working on the project for the coming year; through it equipment and an operating room will be provided in both hospitals for the convience of the dentists.

Congratulations are in order for David Roe, whose wife presented him with a son recently.

We have learned that H. H. Holmes of Chadwick has been having some severe trouble with his arm. We all join in hoping for a quick and uneventful recovery.

The members of the Northwest Dental Society wish to join in sorrow with Dr. Robert Strohaker with the passing of his mother.—*Leland G. Reed*

T. L. GILMER

Flouridation of Quincy's water supply will be effected in the near future. In spite of some opposition (much of it coming from chronic "Aginners"), hard work and patience resulted in a close affirmative vote in the City Council.

We were all saddened by the death of Dr. O. N. Hurdle of Mt. Sterling. Dr. Hurdle's only shortcoming, so far as we were concerned, was his embarrassing ability to bring down the quail we'd just missed.

Bill Davis put the dust covers on his equipment and requested duty in a cool climate, preferably around Denver. You guessed it! The Davis family may be reached at Fort Bliss, El Paso, Texas. The Fred Berrys and the Bill Walls are housebuilding, and from the moans and groans emanating from Rushville, Bill must be putting up his domicile single-handed on Sunday afternoons with a junior erector set.

Hugh Tarpley has quit spending Monday nights boosting flourine at the City Council sessions and is enjoying a

visit from his son Tom, his daughter-in-law, and infant grandson who have just returned from Turkey.

Al Siepker is out of service and practicing in the Illinois National Bank Building. This puts him within a block of what is doubtless his favorite lunch spot!

The Kenneth Ringlands have just returned from Mexico and other dentists in the area are coming and going so fast we can't keep track. We are offering our own collection of swivels that won't swivel as a prize and will report the winner of the biggest-fish-story contest at a later date.—*R. B. McReynolds*

MADISON

It is rumored that our Illinois State Dental Society President, Dr. James Mahoney, a member of our component has been quite a busy man of late, with attending meetings here and there. He attended the Interun meeting on June 24 in Chicago, also the Northside Branch Dental Society meeting. He went to Mattoon and helped in the dedication of a new airport, and laid a memorial wreath in behalf of the American Dental Association. While there he was a guest of Dr. B. C. Baughman.

I can personally vouch for his being busy for I was in Chicago while he was there, and as we are old buddies I tried to get together with him for a private session, but to no avail.

Plans are rapidly going ahead for State Society Caravan meetings with our joint meeting with St. Clair District to be held at St. Clair Country Club in Belleville, Illinois, on September 16.—*Chas. J. Hemphill*

G. V. BLACK

The annual picnic meeting of the G. V. Black District Dental Society was held at Lincoln, the Elks Country Club, on June 11. A good turn-out enjoyed a full day of golf, horseshoes, food and all-round good fellowship. Bob Goebbels and his Lincoln gang are to be commended for the success of the picnic.

John Maher walked away with low gross in golf while brothers Bradley, Thoma, and Schuelte were winners of the Peoria handicap. Bill Wilson and Bob Goebbel took honors in low putting and the farthest drive, respectively, while Dick King and Don Durbin had the honor of taking the high on one hole.

Old timers Link and Curren conquered all challengers with the horseshoes. It could be they have their sights on the State Fair championship.

At the final meeting of the year, held after a bountiful dinner, Jim Bunch was elected president-elect of the society; Bob Goebbel, vice-president; Keith Olsen, secretary-treasurer. Bob Herr of Jacksonville will be program chairman.

John Donelan, Jr. was elected local arrangements chairman for the 1954 State Dental Meeting to be held in Springfield and John Hatcher was elected exhibits chairman.

On June 7 memorial services were held at Trinity Episcopal Church in Jacksonville for Dr. Samuel Weller who passed away suddenly. The G. V. Black District Society extends heartfelt sympathy to Mrs. Weller and the family.

Keith Olsan has returned from North Carolina where he visited former army buddies. Jerry Millhon is taking the month of July off for surgery. Most other dentists in the District are more fortunate to spend their well-earned vacations scattered to the four winds.—*Robert A. Norton*

Remember A.D.A. in Cleveland

Pictured (left to right) are Mr. Elmer Arnst, principal, St. Paul School; Dr. Rudolph Hinrichs, president, West Suburban Branch of the Chicago Dental Society; Dr. Werner Gresens, president-elect, Illinois State Dental Society; Dr. Paul Topel; Miss Tracy Yohnke; Dr. Elmer Ebert, president, Chicago Dental Society; Dr. E. B. Kirby, chairman, Chicago Dental Society Committee on Dental Health Education; and Reverend Paul L. Kluender, pastor, St. Paul Church.

CHICAGO

Climaxing a twenty-five year program of caries-free graduation classes, St. Paul Lutheran School of Melrose Park recently received from the Illinois Department of Public Health and the Illinois State Dental Society the Award of Distinguished Effort. During this period of time 1,407 eighth grade boys and girls have learned well their lessons in dental health and are proud to be graduates of the "World's Champion Dental Health School."

In addition to the award presented to the school by Dr. Elmer Ebert, president of the Chicago Dental Society, a similar award was given to Miss Tracy Yohnke, the school nurse who started the program in 1928.

A special award of recognition was also given by the Chicago Dental Society to Dr. Paul Topel, who has maintained contact with the program since its very beginning.—*E. T. Stephens*

(The story of this twenty-five year program, written by Dr. Topel, may be found in the June, 1953 *issue of the Journal, Vol.* 22, *No.* 6, *page* 369.)

ST. CLAIR

The annual picnic of the St. Clair District Dental Society is planned for Thursday, August 20, at the Locust Hills Country Club in Lebanon.

Swimming, golf, horse shoes, cards, games, lunch, and dinner are on the schedule for that day and all of the dentists of the society and their families have been cordially invited.

Ted Winkler is chairman of the

picnic; his assistants are Drs. Ausbrook, Jordan, and Karstens. The other part of the committee is from the Madison District Society.

Members of the St. Clair District Dental Society extend their deepest sympathy to Dr. and Mrs. F. A. Neuhoff of Belleville on the loss of their daughter, Eleanor Neuhoff; and to Dr. Ted Winkler of Belleville on the loss of his wife, Dorothy.

Don't forget to remember that the Study Club Caravan will be in town on Wednesday, September 16 at the St. Clair Country Club in Belleville.

Be seeing you at the picnic and at the study club.—*Ray Burchfield*

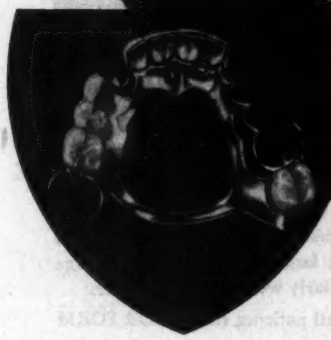
NOBILIUM

by name!



. . . There is natural poetry in the name, *Nobilium*. Read it aloud, *Nobilium*. Say it again, *Nobilium*. Now, you'll remember Nobilium when your next partial denture patient presents himself, or herself, because Nobilium restorations provide every quality that is *good* for the patient's natural appearance, oral comfort, masticating efficiency and lasting service. Many laboratories process Nobilium partials with the scientific Nobilium Electric Casting Machine and polish the cases with the Nobilium Electrolytic Polisher. Many laboratories do all of the processing under their own roof with the exception of electric casting which they have done in special processing centers established for them. Any good laboratory can satisfy your requirements with Nobilium cases. What's in a name? In Nobilium—you get the Aristocrat of Chromium Alloys and service. Specify Nobilium; don't take chances with less.

A new concept in the design and construction of full dentures, a new and higher standard in prosthetic accomplishment, now permits meeting the challenge of those patients who are dissatisfied with the appearance and performance of conventional dentures.

For them the COLOR-FORM denture not only restores function successfully, but replaces lost mouth tissue to natural form and restores esthetics and phonetics as well. Anatomical details heretofore often overlooked are included even to details of interseptal papilla. Patients who show a large amount of labial flange particularly welcome this denture.

For all patients, the COLOR FORM denture assures a restoration that rivals living tissue in character and vitality and restores natural form like no other.

For details and information, call or write.

S.S.WHITE CEMENTS

S. S. WHITE ZINC CEMENT IMPROVED

Has great holding power and resistance to oral fluids; low film thickness and simple mixing technique. Physical properties are uniform in all colors. For all cementing operations; as a dressing seal; step, base or liner; for permanent fillings in deciduous teeth, and temporary fillings in permanent teeth.

S. S. WHITE SILVER CEMENT IMPROVED

Contains 2% silver phosphate. For temporary fillings, step, liner or base, where proximity of pulp limits excavation; and where a potent self-limiting anodyne cement is indicated. Gray color turns darker when exposed to light and in some cases it turns tooth structure dark.

S. S. WHITE RED COPPER CEMENT

Contains 25% red copper oxide. For filling deciduous teeth; also for cementing gold crowns and inlays in posterior locations, or whenever a germicidal cement is indicated and the color of red copper is not objectionable.

He Was the Last Man

Pfc. Hector A. Cafferata Jr.,
USMCR
Medal of Honor

Peace is for the strong!
For peace and prosperity save with U.S. Defense Bonds!

IT WAS DURING the Chosin reservoir fighting. Against F Company's hill position, Reds were attacking in regimental strength. The last of Private Cafferata's fire-team-mates had just become a casualty, leaving a gap in the defense line. If the enemy could exploit it, they could smash the entire perimeter.

Exposing himself to devastating fire, Private Cafferata maneuvered along the line. Alone, he killed fifteen Chinese, routed the rest, and held till reinforcements plugged the hole.

The Reds hit again. A grenade fell into a gully full of wounded. Private Cafferata hurled it back, saving the men but suffering severe wounds. Ignoring intense pain, he still fought on until a sniper got him.

"If we really want to protect ourselves from the Commies," says Private Cafferata, now retired because of wounds, "we've got to go all out. And one thing all of us at home can do—*should do*—is invest in our country's Defense Bonds. Sure, Bonds are our personal savings for a rainy day. But they're more—they're muscle behind our G.I.s' bayonets, too!"

* * *

Now E Bonds pay 3%! Now, improved Series E Bonds start paying interest after 6 months. And average 3% interest, compounded semiannually when held to maturity. Also, all *maturing* E Bonds automatically *go on* earning—at the new rate—for 10 *more* years. Today, start investing in Series E Bonds through the Payroll Savings Plan; you can sign up to save as little as $2.00 a payday if you wish.

Presenting two new prosthetic aids of major importance in your full and partial denture practice

THE TRUBYTE Bioform® MOULD GUIDE

You'll want this new Trubyte Bioform Mould Guide for a number of reasons—but mostly for the great convenience it provides to the busy practitioner. It will enable you to quickly and accurately select teeth for your full and partial dentures. It will save you time and money in resets and remakes. Here in one attractive case are all the available upper and lower anterior moulds of Trubyte Bioform Teeth, with complete information on dimensions and articulations.

THE TRUBYTE Bioform® SHADE SELECTOR ASSORTMENT

Here is the easy and practical way to select shades for full and partial dentures. It practically eliminates the resets, remakes and disappointments that often follow selection with a single shade guide tooth. Why not try this practical prosthetic aid today. It contains 1 x 6 of the twelve shades of the Trubyte Bioform Natural Tooth Color System—the only fully correlated system which offers a full range of selection for all ages and complexions.
